Paparazzi Princess (Secrets Of My Hollywood Life)

Synopsis

As the last season of Family Affair comes to a close, prime-time teen star Kaitlin Burke is no closer to deciding what she wants to do after the show ends. Struggling with careerchoices and bummed over a ridiculous catfight with her BFF, Liz, Kaitlin is so mixed up she even starts to semi-bond with her archnemesis, Sky. Worst of all, she falls in with two of Hollywood's biggest party fiends when one of them asks her, "Don't you ever do what you want to do?" Shopping sprees and the Tinseltown nightlife seems fun at first, but soon Kaitlin realizes that being a paparazzi princess just might be her downfall.

Kaitlin Burke is finally experiencing something that everyone in Hollywood, at least those on the small screen, hates the most... having the show that made you a household name come to an end. That's right folks - Family Affair is finally coming to a close, and you know that's making the headlines on all the tabloids. However, that isn't the only thing making the headlines. After her show comes to an end, everyone wants to know "what's next for Kaitlin?" She has several options, including getting another role on another show, moving to the big screen, or just taking a break. Everyone is pressuring her in every way possible, and for Kaitlin, she just does not have a clue about what is next. What does happen next, though, is Kaitlin becomes a paparazzi princess. That's right, she becomes another Britney and Lindsay. Photos of Kaitlin partying with some new friends

are beginning to cover the tabloids, and it's something she would not want while her future career is already being questioned. Does she really want to go from the A-List to the D's in a heartbeat? It doesn't really help when she is already having problems with Liz and her own personal family affairs. Will Kaitlin be able to fix the situation before it gets out of hand? Or will the next line out of her mouth be "Hi, I'm Kaitlin and I'm a..." PAPARAZZI PRINCESS is the fourth installment in the SECRETS OF MY HOLLYWOOD LIFE series. Usually as a series drags on, the plot becomes tiring. But Jen Calonita continues to make her successful series appealing and dramatic. Kaitlin continues to be a likeable character who seems to be the only one in Hollywood with her head on straight.
