Physician Coding Exam Review 2014: The Certification Step With ICD-9-CM, 1e

Synopsis

Prepare to confidently succeed on your physician coding exam with *Physician Coding Exam Review 2014: The Certification Step with ICD-9-CM!* From leading coding author and educator Carol J. Buck, this exam review provides complete coverage of all topics covered on the physician certification exams, including anatomy, terminology, and pathophysiology for each organ system; reimbursement concepts; an overview of CPT, ICD-9-CM, and HCPCS coding; and more. Practice exams and a final mock exam simulate the testing experience to better prepare you for certification success. Comprehensive review content based on the physician exam covers everything you need to know to pass your certification exam. Concise outline format helps you access key information quickly and study more efficiently. Concrete real-life coding reports simulate the reports that you will encounter on the job and challenge you to apply key coding principles to actual cases. Success Strategies section guides you through the entire exam process. Practice exams on the Evolve companion website allow you to assess strengths and weaknesses and develop a plan for focused study. A final exam located in the text simulates the actual testing experience you'll encounter when you take the physician certification exam. Answers and rationales to the practice and final exams are available on the Evolve website. Updated content includes the latest coding information available, promoting exam success and accurate coding on the job. **NEW!** Mobile-optimized 10-question quizzes provide quick, on-the-go study with 260 extra medical terminology and pathophysiology questions that may be downloaded to mobile devices.

Customer Reviews

This book is amazing. I love the way it reviews anatomy & physiology. I wish I would have had this much earlier in my Coding & Billing classes. Highly recommend it. Shipping was fast & easy. Product arrived in great shape.

I'm very pleased with my new/use book. It was nothing like a thought it would be, base on the seller's description. But when I opened my package, I was surprised and happy. I will buy from yr_satisfaction_guaranteed always. SP

just the book i needed for icd-10

School Textbook

Great price!! It helped me pass.
