Customer Reviews

Got this digitally. Everything was as it should be as if it was in a book itself. Got me through my course with ease.

I'm not a fan of the class I had this book for, however that's not the textbook's fault. It's written with a voice and the excerpts of writers are diverse and interesting.

The book was brand new and perfect! Great price considering how expansive it is in other places. Came super fast just in time for my semester!

Worth the price

Got a great little note from the sender wishing me a happy new year which was very nice. great book and very helpful

The book was in perfect condition- looked brand new. I'm very satisfied with my purchase.

What can I say, it came in good condition, you can't ask much more from a text book.

The book was received in good condition and my wife is happy with it.
