Look at the title: Ascended Master Instruction. Have you dreamed of joining the Ascended Masters? Of serving in the highest good? To be the love you feel in your heart? This is the 4th book in a 15 book series. But you only NEED the first 4 to achieve your freedom (IMHO). I cried as I read these books and accepted what they have promised. Don't be afraid. Get all 4 volumes, read, and APPLY them to your life. You can write to me. You can ask any question. But you DO want and need these books if you have been spiritually seeking.

This Magnificent Volume is best read after reading Volume 1 "Unveiled Mysteries" and Volume 2 "The Magic Presence," by Godfre Ray King. It contains the earliest Discourses by Beloved Saint Germain and thus, should be read as the third book. Then, follow This with Volume 3 "The 'I AM' Discourses." Also note, These Books which make up the Saint Germain Series are all published by the Saint Germain Press. They are available only in English, therefore, the translation is kept Pure and in Its Original State. As of 2007, there are 20 Volumes. There is also "I AM" Music, Art, a magazine: "The Voice of the 'I AM' " as well as audio Dictations. Back to this Volume 4 Book, there

is a reason why this particular book was not released or published until 1985 -- because it contains some extraordinary Truths.

I have read the first three of the series and after reading it and applying it to my lifestyle I cannot explain the changes it has done from my life as in myself and career-wise and no harm can be done observing this series but I assure you this series is the most positive steps in someones life I could recommend to anybody.....honestly

St. Germain feeds the soul that is searching for the raising in daily consciousness. for me it is a 5 star.

This series of books was written on the 1930's which may seem out of date but is as applicable today as it was then.....maybe more people can understand the messages now.

Just what I expected, very enlightening. Wonderful read. Gave me just what I was searching for, instruction and guidance. Enjoying it very much.
