Wild Grace: What Happens When Grace Happens

Synopsis

Bestselling author Max Lucado explains that if teens let God's grace change them, shape them, and strengthen them, their lives will never be the same. Today's teens are being shaped by the pressures and disappointments of the world. But Max Lucado encourages them to take a close look at what can shape their hearts and their futures from the inside out "God's grace. As Max explains, "God's grace has a drenching about it. A wildness about it. A whitewater, riptide, turn-you-upside-downness about it. Grace comes after you." Wild Grace gives teens an understanding of how grace can change their lives in powerful ways, even when those lives are messed up, off track, or in trouble. Each chapter describes another miracle that happens when we allow God's grace to work on us and through us: • Grace is God's decision to change everything. Good-bye, earthly labels. Stupid. Unpopular. Ugly. Failure. No longer. You aren't who they say you are. You are who He says you are. Spiritually alive. Connected to God. Amazing. • Teens will be convinced that God knew what He was doing when He made them and His grace is always there, ready to work wonders that are bigger than anything this world has to offer.

Book Information

Paperback: 176 pages

Publisher: Thomas Nelson; Original edition (September 10, 2012)

Language: English

ISBN-10: 1400320844

ISBN-13: 978-1400320844

Product Dimensions: 5.6 x 0.5 x 8.4 inches

Customer Reviews

I was provided a complimentary copy of this book in exchange for an honest review. There have been times in my life when I don't know how I managed to get through certain trials and remain intact. Surely by now I should be damaged and hopeless, should have given in to vices or changed who and what I put my faith into. I used to explain that it's like God has put a shield over me to

protect me from harm; after reading Max Lucado's Wild Grace, I have realized it wasn't a shield per se, but God's wild grace that protected me. Wild Grace is a non-fiction book that has been adapted for teens to break down grace in a less superficial way than it is often explained or used. Grace, Lucado explains, is "simply another word for God's tumbling, rumbling reservoir of strength and protection" (59). Grace is something God has given us through Jesus' death that trumps all of the bad things we've done and experienced and helps us persevere through the bad things we have yet to encounter. This book further helps the reader recognize how grace can help them cope with sin, guilt, and other troubles while explaining how to receive that grace from God. The reader is also encouraged to show grace to others upon receiving God's grace for themselves. As a teen, I was never very intrigued by non-fiction books because there wasn't a story to capture my attention. I know this isn't the case with all readers, but I always wanted to skip ahead because material, especially in self-help type books, wasn't intriguing enough. I think what sets Wild Grace apart from the rest are the questions and talking points the book contains throughout. These questions helped focus my attention in on connecting the material with my real life experiences.
